Department of Mechanical Engineering

A report on Technical Talk

Department of Mechanical Engineering, A J Institute of Engineering and Technology in association with ARMS organized a technical talk on ‘**Smart Connected world of Tomorrow**’ on 19th of November 2018 from 2.00 PM to 4.00 PM in Seminar Hall-1, AJIET by Mr.Chandrashekar Rao Kuthyar, Lead Consultant, SangamOne Connected Services Pvt Ltd., Bengaluru.

During his talk, he gave valuable information on ‘**Smart Connected world of Tomorrow**’ and highlighted the role of engineer’s in transforming conventional life style to smart connected world. He gave an insight into the concepts of Internet of things and its presence in all the domains. The examples ranged from smart connected homes to an industry. It enhances the comforts of our lives and smoothens routine work and personal skills. The talk highlighted the potential of IOT markets. Also mentioned the importance of man to machine and machine to machine learning in future applications.

He has given small projects like stapler to the students so as to get the practical knowledge and enhance their technical skill. To enhance the practical skills, he inspired the students to write project proposals He also described about cloud computing in mechanical applications.

The occasion was graced by our beloved principal, HOD’s, teaching and non teaching staffs of various departments. Around 100 students of 2nd and 3rd year from Mechanical and Electronics & Communication Engineering attended the session. The students interacted with the resource person and clarify their doubts.

Miss Karna Tulasi from 2nd year Mechanical Engineering welcomed the gathering. Mr. Prakhyath Jain, Assistant Professor, Department of Mechanical Engineering introduced the

speaker to the gathering. Mr. Naveen R, Assistant Professor, Department of Mechanical Engineering proposed the vote of thanks. Dr. Rajesh Rai P, Professor and Head of the Department of Mechanical Engineering formally welcomed the speaker. Dr. Shantharama Rai C, Principal addressed the gathering and honoured the resource person at the end of the event. Mr. Karthik A V, Assistant Professor, Department of Mechanical Engineering coordinated the event. Mr. Nithin Shet and Sudheer Kini K conducted the event with help from teaching and non-teaching staffs.

Prof. Dr. Rajesh Rai, Head of Mechanical Engineering Department, supported and guided the students and faculty.
